To Whom It May Concern:

We are writing this letter regarding, Kim Dulvas, our mail lady here at Silveridge R/V Resort.

Most letters are written to complain about someone but this letter is quite the opposite.

Kim completes her tasks very efficiently and is very conscientious. She is diligent and personable. Her smiling face is a big asset to Silveridge.

We look forward to seeing her each and every year.

Please let her know she is greatly appreciated!

Thank You.

Yours truly
