## Silveridge Loves to Dance!

**Dancing With Your Stars** was a huge hit! On January 22 we saw six talented Silveridge stars dance into the hearts of all their fans. Patty Onken (4th from left) took home the mirrorball trophy and John McFadden (first from left) came in 2nd. From left to right the other stars were Rosa Zehl, Judy Minto, John Colling, and Jim Neill. All the Stars were winners and the Utah Ballroom Dancers were awesome! Showing their talent were judges Lou, Armand, and Nita (middle picture below) who comically dressed in costume for the show. A big thank you to all who made this sellout event a huge success! Pictured on the left are Gail and John Young dressed up at Disco boogie and Armand and Tracy Gagnier at the Sock Hop Boogie .

# The Art of Mindfulness

*Message From Sue Activity Director and Editor*

Here we are my dear Silveridge Family— right in the middle of our busy season. As I write my letter to you I am filled with love and appreciation for your generous support of all our activities.

We have just completed our first ever “Club Expo”. Thank you to all our fabulous leaders for your enthusiasm in showcasing your clubs. The feedback has been positive with many new members joining clubs as well as exposure to club activities that new and current residents did not know about. Mark your calendars for next season as we will offer it again in conjunction with Breakfast. Harvey and our volunteers served over 300 residents!

We sold out on our Wilson Family Dinner Show and our ever popular Dancing With the Stars. The Boogies are getting close to selling out. (if a boogie is sold out you may come to dance only ) and Bingo had the best attendance in the last 2 years! This year upon request I am bringing back the Ladies Fashion Show on Friday February 13th . Our last Casino Fun Night was 5 years ago and with “Lou and Friends” it promises to be fun! How exciting to see your involvement and spirit! I am looking into a new picture directory for next year as it has been 10 years since our park has had one. Shall we do a directory again?

It is gratifying to hear your compliments on the entertainment. It is the favorite part of my job. I have already started working on next season’s entertainment . I am approached by numerous entertainers who want to perform in our park . I do not book anyone without checking them out in person or on the internet- but referrals from you are the best, so let me know if you would like to see someone at Silveridge—or if you want to see another performance of the same entertainment.

With my busy schedule I have to remind myself to take time to stop and recalibrate my thoughts, words, and feelings and to “enjoy the moment” - whatever it is. When you set your mind to what is really important you relax and learn to get in tune with yourself .You simply notice what’s going on— your breathing, your body, your thoughts, your feelings— without analyzing or judging or reacting .We all know how stress and anxiety can lead to health problems as well. Thank goodness that we have so many exercise classes that help us both physically and mentally! When the “tyranny of the urgent” takes over it is easy to crowd out the important things in life— and it takes “mindfulness” to remember what is important. Writing a love note and leaving it on the counter is one example of taking the time to think about showing you care . Have you ever received or made a homemade card? Think about how you feel when you open your mail and there is a card for you. I have a special box at home with all the cards our children have made us. And Mom has saved all the cards that her 8 children made her. I recommend signing up for the card making class in February and out your creativity!

So let us all continue to be mindful of one another. I see so many random acts of kindness among all of you. As I ponder the good people around me I am grateful for your mindfulness and love. These last 5 years I have learned so much from all of you. Thank you for sharing your lives with me. Now let’s all send a card. I promise you that both you and the recipient will be blessed!

*Love, Sue*

We have many new faces this year and invite others to join us as well.

Our membership dues are \$5.00 per person for the season. This money will be used to help purchase small equipment for the courts and to help finance our Shuffleboard Social.

Do not miss out on the fun Social on February 28th!

So far we have 60 members. We start at 9:30 am every morning except on Sunday. We encourage our members to join the Renters Association by paying \$5.00 per lot and this entitles them to vote at the renters meetings. One of the highlights of shuffling is that when the games are finished we enjoy having coffee and cookies by the pool on Mondays, Tuesdays, Wednesdays and Fridays.

If you are looking to have some fun and meet nice people then you need to join us at the shuffle courts. Thank you to everyone who visited our table at the Club Showcase on January 10th.

*Order Ticket List. Mark the activities you want. Bring in the list and we will add it up. Come back later. Pay by check or cash and receive your tickets.*

## New Activity Policies

We would really appreciate your getting your tickets before the day of the event. If you need to get them at the last minute please do so by 12.00pm the day of the event. Our kitchen needs to have an accurate count of the number of people attending. If you want to sit with your friends it works well for all of you to come in and purchase together. Please pay for your tickets when ordering them. **We can only hold seats without payment until 3:00pm of that day. The seats will then be released for purchase. (unless it is a long distance call in order or an email order.)** Several of our events have sold out. **On the Boogie nights only:** people from outside the park will not be able to purchase tickets until one week prior to the event. This will ensure everyone of our own residents to be able to purchase tickets.

## Place Settings

Please bring your place settings to all Activity food events. This consists of plate, utensils, napkin, cup and glass. We encourage plastic or glass plates. Paper plates do not hold up under the amount of food served. The only exception is at the food court during the Arts and Crafts Fair and Welcome Back parties where we furnish your table service. The Decorating committee would appreciate if you would clear your own tables. Please remove table coverings and personal items.
