Simply The Best

It is hard to believe that there is only 1 month left before the end of the season. What a year it has been! As usual, you have outdone your self with your generosity in giving of your selves in so many ways. How can I begin to thank everyone for helping make this the most successful year ever? From all of our many volunteers , the staff and all the residents with your friendly smile and talk-Silveridge would not be the same. without you! It is YOU who makes our park what it is!! Check out Ellen and Larry Jones on the Silveridge web pages. What a meaningful presentation they give as they share what our park means to them !

Recently I watched the movie “Miracle on Ice” with Kurt Russell. It is about the American hockey team that took on the Russians in the 1980 Olympics. When choosing the team to go to the Olympics, the coach said that he wasn’t looking for the most talented individuals but the ones who played as a team– the ones not working for their own glory but the ones who did not make a play without thinking “ how will this move effect the other players.?” You know the outcome– the American team won the favored Russian team to win the Gold!

There are so many awesome teams in our park who make it the BEST and I will be thanking everyone more specifically at our Volunteer party. However I do want to write my thanks to Harvey, Jerry, Tracy and all the Food Volunteers. Thank you for your endless hours in preparing and serving the food. There is so much work that goes on behind the scenes. It is not uncommon for Harvey to be in the kitchen at 5:00am getting ready for breakfast or the evening event. Jerry works along side Harvey while Tracy assists and spends countless hours scheduling all the volunteers. It is with pride that I congratulate the team for another A+ rating from the Maricopa Food Safety Board. Thank you too for the 50 plus volunteers who either renewed or just received their food handlers licenses.

Also among the best are Lou and her decorating team who lavished our ballroom with gorgeous decorations. Casino Fun Night was a blast with tons of door prizes! Kudos to all our Club volunteers for their leadership in their fields of expertise. Because of them many have grown in knowledge mentally, physically and spiritually. We had our first ever “Club Expo” which gave exposure as well as new memberships to the clubs.

This season we had over 65 events with many of them sold out , especially the Boogies! Thank you for your generosity in buying all those tickets! I am already planning for next season which will include your favorite boogies, dinner shows, concerts and dinner delights. We will have the Best Ever Anniversary party, Variety Show, Ladies Tea, Christmas Parade and Caroling and to top it all off a new Picture Directory!!

Among the best are Shawn, our wonderful new GM who listens and implements our wants and needs, Ed and his crew who maintain our park, Sue and Lynn who take care of us in the Business Office, Kim who delivers our mail promptly, my assistant Jill who keeps the front office running smoothly, and to Jarrod who sets up all our events. Everyone appreciates what you do. Thank you to my Mother who prays me up and to all my “balcony friends” who support me with love and kisses and delicious treats! And to my husband who comes into my office and wisely says “Honey, I’m here to pick you up-it’s time to come home.” You’re #1 in my book!

Only trained operators may run the equipment!** There will be a training day in the future for all operators. The theater is available to all of us. **Please be responsible and stay after the movies or sports events and clean up popcorn and food spills. If you've been looking for exercise, competition and fun, tennis may be the answer. Silverridge Tennis Club membership is one of the best bargains around. Members are invited to participate in tournaments, East Valley Senior Tennis League (EVSTL) competition, club meetings and all tennis socials. Scheduled Monday through Friday, 4–5:30 p.m., these mixed skill level, round-robin type of pick-up games are a great way to make new friends and practice your tennis strokes in a relaxed setting.

East Valley Senior Tennis League

For tennis players who want to test their skills against players from other parks, East Valley Senior Tennis League offers spirited competition each weekday morning. Our club has several teams of different ability levels; one of them is just right for you. Contact one of our tennis club members if you are interested in being a part of one of our teams.

Aluminum Cans

A major fundraising project of the Tennis Club is the recycling of cans. Barrels where you can deposit soda and beer cans are available across the park. Look for them in the main ballroom, by all the dumpsters, and at the pool and tennis courts. Please **do not** use these barrels for trash or plastic. Your help is very much appreciated.

Shuffleboard

By Joan Fogt

Last month we featured our men shufflers in the newsletter so now we want to give our ladies their turn.

We have had a very successful season with many new members. As this goes to print, we are anticipating our Shuffleboard Social which is always a highlight.

Our volunteer committee have several special games on the court that challenges all of us! The games will be followed by a delicious catered meal.

The shuffleboard courts have been full most days, but do not let that stop you from joining us as we have a new procedure that will accommodate everyone who wants to play.

We have many new faces this year and invite others to join us as well. Our membership dues are \$5.00 per person for the season. This money will be used to help

purchase small equipment for the courts and to help finance our Shuffleboard Social. So far we have 60 members. We start at 9:30 am every morning except on Sunday. We encourage our members to join the Renters Association by paying \$5.00 per lot and this entitles them to vote at the renters meetings. One of the highlights of shuffling is that when the games are finished we enjoy having coffee and cookies by the pool on Mondays, Tuesdays, Wednesdays and Fridays.

If you are looking to have some fun and meet nice people then you need to join us at the shuffle courts.

The Activity Desk is where you purchase all your tickets for this season's events. All Dinner Delights, Boogie Nights, Dinner Shows and reserved Concert seats require a ticket before the event starts. The Saturday Breakfast and the Food Court during the Arts and Crafts Fair are the only events by the Activity Department that do not require a ticket. All checks must be U.S. Funds.

New Activity Policies

We would really appreciate your getting your tickets before the day of the event. If you need to get them at the last minute please do so by 12.00pm the day of the event. Our kitchen needs to have an accurate count of the number of people attending. If you want to sit with your friends it works well for all of you to come in and purchase together. Please pay for your tickets when ordering them. **We can only hold seats without payment until 3:00pm of that day. The seats will then be released for purchase. (unless it is a long distance call in order or an email order.)** Several of our events have sold out. **On the Boogie nights only:** people from outside the park will not be able to purchase tickets until one week prior to the event. This will ensure everyone of our own residents to be able to purchase tickets.

Place Settings

Please bring your place settings to all Activity food events. This consists of plate, utensils, napkin, cup and glass. We encourage plastic or glass plates. Paper plates do not hold up under the amount of food served. The only exception is at the food court during the Arts and Crafts Fair and Welcome Back parties where we furnish your table service. The Decorating committee would appreciate if you would clear your own tables. Please remove table coverings and personal items.
